Dear Parent,

Parent Volunteer Scheme at St Hilda's Primary School for 2024

St Hilda's Primary School is inviting applications from interested parents of children born in 2018 (and due for Primary One Registration in 2024 for academic studies commencing in 2025) to contribute as Parent Volunteers (PV) in the school (Please see attached application form at <https://go.gov.sg/shps-pv>). Parents who are accepted into the scheme and who fulfil the school's PV service contribution criteria, will be eligible to register their children under Phase 2B in MOE's Primary One Registration Exercise in 2024.

2 The duration of volunteering service required of parents accepted as PV by the school will be **24 months** commencing from **27 Jun 2022**.

3 The closing date for application to be a PV is **27 May 2022**.

Please be advised that eligibility for Phase 2B does not guarantee enrolment in the school. According to MOE's Primary One Registration rules, should there be a greater number of registrants than the available vacancies in the school under Phase 2B, balloting will be conducted by MOE.

Additionally, do note that the submission of application to be a PV does not mean an automatic acceptance by the school. Shortlisted applicants will be invited to attend an interview to determine if their interests and skills are aligned with the needs of the school.

We seek your understanding that only shortlisted applicants will be notified. If you do not hear from us by end June 2022, it would mean that your application to be a PV in the school has not been successful.

Yours faithfully

Mrs Daphne Yeoh
Principal
